- I/M Curtis Collins did not ask for or receive any Notary Service for this time period.
- Medical Record Form from Attorney General's Office was followed up on. I/M Collins informed Staff that he was a "big boy" and could handle it without assistance from DCC Staff.
- Inmate Curtis Collins has been housed in Building 21 for this entire time period. Because of the Security Level assigned to this building all legal work is handled through In-House mail service.
